“ADOPT A WIDOW THIS CHRISTMAS”

REACHING OUT TO VULNERABLE PERSONS THROUGH WHOLISTIC APPROACH

Dear Friends,

I pray the peace of Christ reigns over each of you this Christmas.

As I reflect over the past year, I am grateful that God continues to give me strength to serve the widows. I'm thankful for our dedicated volunteers who travel the dirt roads to help make home visits. The visits are encouraging for the lonely, in addition to providing essential services.

This Christmas, we invite you to "Adopt an Elderly Widow".

Your monthly gift of \$35 will provide essential services for our 24 widows and keep our program running all year. (\$35/month will cover the costs to serve one widow.)

It's the most effective way to care for the most underserved women in our community.

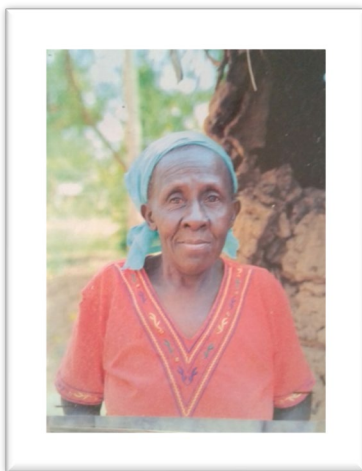

Many of the women, while struggling to care for themselves, are also raising their grandchildren. Overwhelming unemployment rates for young adults in Uganda force young parents to seek shelter for their children with grandma while they search for a way to earn income, often far away. Some of the children are orphans living with their grandmothers.

Your gift means a widow will receive:

- **Monthly routine care and medication**
- **Supplemental food for adequate nutrition**
- **Home visits**
- **Bible studies**
