

Full Life Training Center, Nepal December January update

Dear friends,

I hope you are well. I am blessed to have your support of our ministry in Nepal and excited to share all God has been doing.

My heart is full. So much has happened since my last letter to you in November. I am planning a few updates over the next few weeks to get you caught up.

December ministry update – 17 – Jan 2nd

We had ten days' door-to-door evangelism just like we did last August 2025. During this, we visited each house and shared the love of God in Jesus Christ. A few gospel songs, our testimony and listening to the people and their response were key elements of the gospel presentation. We could also distribute 20 plus audio bibles. It is amazing to see people carrying audio bibles, and listening to them while working in the fields, office, and traveling. From this evangelism we could share gospel with more than 300 people. Ganesh Sunar, his wife and son have begun attending the church as a guest family. Please join us in prayer for them to come to know and be touched by the Spirit of God. Here are some photos of evangelism.

Christmas Celebration and community outreach, December 25, 2025

Grace Community Church celebrated Christmas outside. More than 180 people (from other faiths) showed up in the celebration. They heard of Jesus Christ through dances, songs, and food as well. I am deeply thankful for the leadership brother Keshar, Pradip and Sister Binita provided. The gospel impact has been so huge, and we are doing follow up ministry activities. Please join us in prayer for more souls to be added in the number in our church.

God is working.
Thank you for your prayers and support that make all of this possible.

In Christ,

Pastor Santosh Khatiwada
