

Grace Children's Outreach Mission – December 2025 Jesus Film and Christmas Activities

Greetings! Below are photos of our Christmas activities. It is through your prayers and generosity that we are able to do this. Continue to keep us in your prayers especially with the ongoing girls rescue mission from female genital mutilation and early marriages. This time it has proved to be the heaviest in all the years we have been doing this with great numbers turning up.

Thank you so much for standing with us in prayers and giving this year. As we come to a close of the year, we wish a happy new year 2026 and look forward to serving together for the glory of God.

As the year comes to an end, we took Jesus film to remote villages of Northern Kenya in Lodwar Turkana County. More than 1352 people had the opportunity to watch the film. 439 people gave their lives to Jesus Christ. Your prayers and generosity in giving are making this possible.

Continue to pray with us especially for the ongoing rescue mission helping girls escape female genital mutilation and early marriages. More girls continue to flood our temporary rescue center. There are pressing needs on the ground especially with food, bedding, and clothing. We also looking and trusting God for schooling of the girls in January next year. Pray with us that all the girls to get all the help they need to better their future. Pray that this evil harmful cultural practice to come to an end.

To make a tax-deductible donation, through Global Horizons, our fiscal sponsor, visit: <https://globalhz.org/grace-childrens-outreach-mission>

Thank you so much for praying with us and for your continued sacrificial giving to support our mission. God bless you.
