

2026 January Newsletter – Happy New Year

Calvary greetings 2026,

We all know this far into the New Year, we have come not because of our doing, but through God's amazing love and grace. Last year, 2025, though challenging with much hardship, we had a reason to thank God. 170 souls came to Christ from different communities and villages, through our community leaders and home cell groups. We continue to strengthen the community through God's Word together through our noble programs and activities. HAPPY NEW YEAR 2026.

Philippians 2:15-16: so that you may become blameless and pure, “children of God without fault in a warped and crooked generation.” Then you will shine among them like stars in the sky as you hold firmly to the word of life. And then I will be able to boast on the day of Christ that I did not run or labor in vain.

From where we stand, stars look so small; yet they are unmissable against the night sky. Scattered across the heavens, these tiny pinpricks of light shine brightest in the darkest places. Train your eyes to read their shape, and the stars will tell you where you are, help you navigate your way, and guide you home.

God has placed us in different places in this universe for His purpose, it's therefore we who should hold out the Word of God by sharing with all people that we interact with them as we tell them about the amazing story of how the Bible which is the Word of Life that brings light to the darkest place, and hope and direction to the lives of all those that hear them.

In the slums. On the streets. In poverty. In hardship. In danger. Our mission here, together with you, dear friend in Kenya, Kibera slum, as the Youngsters for Christ team, is to reach children at risk of being introduced to ungodly ways of life due to the hardships and challenges in their areas through our programs. These programs aim to teach them about God's love, bringing about a changed life, so we may influence them to learn to say no and to walk away from vices that may put them in danger, especially the girl children who are prone to danger.

We would like to walk a journey with these children as Jesus walked with His disciples, to bring them to a place of seeing the importance of obeying God through His Word, which will bear peace, love, patience, kindness, among other fruits of the Holy Spirit.

This mission needs you in one way or another. We pray that the Lord blesses you as we believe. Continue considering this program. With kindness, love is shown.
