

Grace Children’s Outreach Mission March 2026 Update

Greetings!

Thank you so much for standing with us in ministry. Your prayers and generosity continue to see us minister to thousands of children sharing the word of God and meeting their needs.

"There will always be poor people in the land. Therefore, I command you to be open handed towards your fellow Israelites who are poor and needy on your land." - Deuteronomy 15:11.

Our ministry has continued to be open handed to the children who need food, shelter, school fees, sanitaries, Bibles, and even those who need to be rescued from streets and harmful cultural practices like female genital mutilation and early marriages. As we reach out to these children our needs keep growing each day. Through your prayers and giving we are making it one day at a time.

Last week our feeding program stations were affected by heavy rain and floods. Some children had their homes flooded and swept away with their belongings. A few lost their lives. Despite the challenges of the rains and floods, many children still braved through the floods to feeding stations in search of food. This has really put pressure on the limited resources we have. Continue to pray with us as we offer a helping hand to these children.
