

Dear friends,

Hallelujah, Jesus is risen indeed!

It is a joy to celebrate the risen Lord, who truly makes all things new. Warm greetings from my family and the ministry; we are celebrating His goodness and love this Easter Sunday.

We thank God for enabling Square Ministries to impact the lives of pastors in Northern Uganda. At the end of January, over 100 clergy received Level 1 and 2 training on the "Theology of Work." This week-long event drew participants from two dioceses, equipping them to apply Scripture toward creating sustainable projects—first for their own families, and then for the churches they lead.

Each pastor concluded the session with a proactive work plan to implement before

their next training in August 2026, which they will attend alongside their spouses. In keeping with the heart of Square Ministries Africa, we are reaching out to our community this Easter by extending a loving hand to the elderly, orphans, and those in need. We are also providing gift hampers to 50 hospital patients, regardless of their religious affiliation or background.

Please join us in prayer for the following:

Giving Thanks: For the successful training of pastors in Northern Uganda.

Level 3 Training: For the upcoming sessions in August.

Easter Outreach: That our community visits and hospital hampers would reflect Christ's love.

May the good Lord graciously bless you!

With love and prayers,

Emmanuel
