

CORNERSTONE ACADEMY
MANIPUR INDIA

December 10, 2025

Dear Friend of the Haokips and the Children of NE India:

Even though they have, for the third year now, been forced out of their home state where Cornerstone Academy is located, the Haokips have stayed faithful to their mission! Their teachers instruct 200 children in their school, giving them the same kind of high-quality, Christ-centered education that is the Haokips' trademark. Many of their students still score top grades in fields like mathematics.

Their long-term goal is to not only continue Cornerstone Academy, but to also found Cornerstone College in Aizawl (their city of refuge in a nearby state) as a bi-vocational pastoral training college that will offer high-quality training in carpentry, masonry, electrical, plumbing, and painting as well. In the short-term, how are the Haokips serving Christ?

Thangboi is completing graduate theological education in the USA. In September 2025, he was ordained by Central Baptist Church in St Paul. What a privilege to be on the ordination committee for this man of God. On December 14th in New Delhi, he will give the sermon at the most important Kuki church in all of India. Kimsi, back in Aizawl, has developed KidsCare, a K-3 school (launched under the umbrella of Cornerstone Academy) for 50 children who are refugees from the violence in Manipur and in nearby Myanmar (Burma).

The Haokips heroically and selflessly take every opportunity to make the love of Christ known to children and adults while also educating them in the math and science they will need to build their society.

Your Christmas 2025 tax-deductible gift will not only help Cornerstone Academy in Manipur, but also help the Haokips develop KidsCare and Cornerstone College as they educate Northeast India's poorest with high-quality Christian education. Thank you for your gift.

May You Have a Very Joyful Christmas,

Bob Osburn, PhD

For the Cornerstone Academy committee: Dr. Joel Lawrence, Mark Stage, John Stage, and Dr. Bob Osburn
