

Grace Children's Outreach Mission April 2026 Kenya Update

Greetings!

Thank you for your prayers and financial support that continues to see us reach many with the gospel of Christ. This time our ministry was involved towards the coastal region of Kenya. We minister to children and adults in Voi, Mwatate, Wundanyi, and Mbololo. We ministered through the showing of Jesus film, food distribution, Bible distribution, sanitary product distribution and clothes distribution. Through this, 100 Bibles were given out, 403 people had the opportunity to watch Jesus film, 150 sanitary products were given to girls and women, and 300 families received food and clothes.

Praises are going up and people's lives are being transformed for the glory of God.

This week we head to Turkana, Northern Kenya. Keep us in your prayers. We need Bibles, food, sanitaries, Sunday school teaching materials, and water. Pray for our greatest challenge of movements especially into the remote areas. Pray for our safety too.

We are encouraged by your prayers and you standing in the gap. We are encouraged by many lives being impacted. God bless you.
