

Grace Children's Outreach Mission
March 30, 2026

Greetings!

Thank you for your prayers and financial support that continue to see us reach many with the gospel of Christ. This time, our ministry was involved in the coastal region of Kenya. We ministered to children and adults in Voi, Mwatate, Wundanyi, and Mbololo. We minister through the Jesus film, food distribution, Bible distribution, sanitary distribution and clothing distribution.

Through this, 100 Bibles were given out, 403 people had the opportunity to watch the Jesus film, 150 sanitary pads were given to girls and women, and 300 families received food and clothes.

Praises are going up and people's lives are being transformed for the glory of God.

This week, we head to Turkana in Northern Kenya. Keep us in your prayers. We need Bibles, food, sanitary supplies for girls, Sunday school teaching materials, and water.

Pray for our greatest challenge of travel, especially into the remote areas. Pray for our safety too.

We are encouraged by your prayers and you standing in the gap. We are encouraged by many lives being impacted.

God bless you.
