Changing generations one life at a time

Welcome to Hope Institute of Uganda!

Hope Institute of Uganda exists to glorify God by sharing the hope found in Jesus Christ and by serving communities through education, leadership training, healthcare access, and meaningful work. Our mission is simple yet profound: to change generations one life at a time by raising up leaders and businesses to alleviate poverty in Uganda.

We focus on four core areas to create a "model community" that can serve as a pilot for others across Africa:

- **Leadership Development and Advocacy:** Ethical leadership training is crucial for Uganda's future, emphasizing accountability for successful institutions.
- **Education:** Over 100 students have received scholarships since 2005, with many now working and serving in Uganda. In 2025, two schools were opened, a craft center and vocational scholarships were added, and partnerships with local universities were established.

- **Health Initiatives:** Health initiatives in Uganda focus on improving access to basic health services, including annual checkups and a Wellness Program for the elderly.
- **Small Business and Job Creation:** Unemployment is a major issue in Uganda, particularly among young people. The focus is on job creation and supporting small businesses, with a commitment to timely payment for employees and self-sustaining business models.

How to Give:

Global Horizons Inc. (GHI), our fiscal sponsor, provides accountability and donation processing, ensuring tax-deductible donations in the US.

Online:

By mail: Checks payable to Hope Institute of Uganda, P.O. Box 64059, Eagan, MN 55164-0059.

How to Pray:

- That the Lord would raise up leaders in Uganda. We are asking the Lord to allow 300+ students to attend the next leadership conference.
- That the Lord would bless the schools with funding to pay teachers and provide scholarships for our students.
- That the Lord would provide a Wellness Center in Uganda.
- That the Lord would allow the Craft Center in Uganda to become self-sustaining.
