Expanding Access to the GOSPEL

Bringing Free Christian Literature to the Nations

Across the world, millions of believers lack access to spiritually rich Christian literature that can deepen their faith, equip missionaries, and strengthen churches.

God's Power Gospel Books exists to place Christ-centered teaching resources into the hands of those who need them most — free of charge.

Through global missionary partnerships, translation initiatives, and youth outreach programs, we are helping believers grow in their relationship with God and equipping the Church to fulfill the Great Commission.

The Global Need

Many believers across the world lack access to discipleship materials that strengthen faith and support spiritual growth.

- 70% of missionaries worldwide need free Christian literature to disciple new believers.
- Many young people desire spiritual resources but lack access.
- Rural churches often lack Christian literature in their native languages.

Without access to these resources, believers struggle to grow spiritually and develop strong discipleship communities.

Our Mission

God's Power Gospel Books provides free, spiritually rich Christian literature to missionaries, churches, and young people worldwide.

Our publications focus on Christ-centered teaching that helps individuals develop intimacy with God, grow in spiritual maturity, understand biblical truth, and become effective disciples of Christ.

Our Impact Areas

Equipping Missionaries

We supply missionaries with free Christian literature that strengthens discipleship and supports their ministry in remote regions.

Translation Projects

We are translating gospel materials into widely spoken languages so believers can grow spiritually in their own languages.

Youth Outreach

Through youth camps, school outreaches, and teaching conferences, we are reaching the next generation with the gospel of Christ.

Rural Church Distribution

Our 'Read Rich Christian Literature in Your Native Language Campaign' expands access through translation projects, audio broadcasts, regional distribution centers, and affordable literature access.

Join the Kingdom Builders Community

We are raising $160,000 over the next 18 months to expand this mission.

Donors who give $5,000 or more will become members of the Kingdom Builders Community.

Your support will help fund:

- Printing equipment and machinery
- Printing resources and materials
- Expansion into a production factory and warehouse
- Translation and distribution initiatives
- Youth outreach programs and conferences

Kingdom Builder Benefits

- Exclusive impact updates on book distribution and outreach activities.
- Invitations to regional and international leadership meetings.
- Complimentary hard copies of our publications.
- Prayer support for you and your family.
