Lisbe Family Mission Update
August 2026

Shalom and greetings from Bangkok, Thailand.

We really appreciate your partnership in the gospel.

Here's a quick update from the field. We just want you to know that God is at work in the hearts of the Thai people. And we continue to trust that in time we will see more people putting their trust in Jesus as their Savior and Lord. Please continue to pray for us.

And if you have any prayer concerns, please let us know also. We'd be happy to intercede intelligently and specifically for you as well.

The LORD bless you and keep you,

Boy & Daryl Lisbe
