MT. OLIVET SCHOOL C4DMU: Monthly Newsletter – June & July 2026

Dear Donors, Friends, and Partners,

Grace and peace to you in the name of our Lord Jesus Christ.

We thank God for His faithfulness throughout June and July 2026. Because of your prayers, encouragement, and generous support, **Mt. Olivet School C4DMU** continues to provide quality Christian education, hope, and a safe environment for vulnerable children in Uganda. Every achievement reflects God's grace working through faithful partners like you.

Highlights from June & July

Academic Progress

The second school term has been productive, with learners actively engaged in classroom instruction, assessments, sports, music, and Christian fellowship. As the term concludes, students are completing their end-of-term examinations. We thank our dedicated teachers, parents, and pupils for their commitment to excellence.

Parents' and Staff Meetings

Successful meetings were held to review learners' progress, strengthen collaboration with parents, and plan improvements that will enhance education and child development.

Girls' Dormitory Progress

Construction of the girls' dormitory continues steadily and will provide a safer home for our boarding girls.

We are also grateful to have received **20 triple-decker beds**, significantly improving our boarding facilities. Thank you to everyone who made this possible.

Music Competition

Our learners proudly represented the school in the Ministry of Education Music, Dance, and Drama competitions, finishing **3rd at the Zone Level** and **7th at the County Level**. We celebrate their talent, confidence, and excellent representation of the school.

School Farm & Poultry Project

Our school harvested approximately **700 kilograms of maize**, helping reduce feeding costs and improve food security. Preparations are now underway for the second planting season.

We also launched a **school poultry farm**, providing practical agricultural training while improving student nutrition through eggs and poultry products. Our long-term vision is to equip each learner with sustainable livelihood skills by eventually providing every student with five chicks to raise at home, helping families increase income and improve nutrition.

Improving School Security

Despite limited resources, additional outdoor security lighting has been installed around the school compound. We continue trusting God for support to install more security lights and surveillance cameras.

Urgent Needs for 2026

To meet Uganda's national education standards, we still need support for the following projects:

Project	Amount Needed
Complete Girls' Dormitory	**US$6,000**
Construct Boys' Dormitory	**US$16,000**
Purchase 20 Triple-Decker Beds	**US$2,400**
Bedding for 120 Children (mattresses, sheets, blankets & mosquito nets)	**US$8,400**

A gift of US$120 provides one triple-decker bed for three children, while US$70 equips one child with a complete bedding package.

Thank You! Your prayers, generosity, and encouragement are transforming lives by giving vulnerable children access to education, safety, and the love of Christ. Every gift brings us closer to providing a dignified learning environment where children can thrive and build brighter futures.

Prayer Requests

Please pray for:

- God's protection over our learners and staff.
- Excellent performance in the end-of-term examinations.
- Provision to complete the girls' and boys' dormitories as well as beds and bedding for our boarding students.
- A successful planting season and abundant harvest.
- New partners and donors to support these urgent projects.

As we look ahead, we remain grateful for God's faithfulness and for your partnership. Together, we are not only building classrooms and dormitories, but we are building futures, restoring hope, and sharing Christ's love with vulnerable children.

May God richly bless you for walking this journey with us, *empowering vulnerable children through Christ-centered education and hope.*

> *"Let us not grow weary in doing good, for at the proper time we will reap a harvest if we do not give up."* **Galatians 6:9**
