Grace Children's Outreach Mission
August Newsletter

Greetings! Our ministry continues to be a blessing to thousands of children teaching them the word of God and meeting the needs of the most needy children. This is made possible through your prayers and financial support. We thank God for you and we keep you in our prayers. Please follow the link for our recent ministry photos and video.

Keep praying for our ministry in the following areas:

-Currently our girls rescue center and Grace community children's home are facing challenges with food and school fees needs. Provision especially for food urgently needed. Pray for schools fee needed so as the children we support to continue with education they desperately need.

-Pray for our ministry in Northern Kenya and the hardship people facing there. Pray as we minister to them God will continue to bless them even in their difficult circumstances. Pray for us for strength, Grace, and provision as we serve. Pray too for transport challenges we are facing with rough terrain and no proper roads and other place no roads at all and yet we need to reach the unreached people there.

-Pray for our school project. We believe this project will help in helping more children and also generating income for sustainability for our ministry activities

-Pray that us we reach out people will continue to give their lives to Christ, grow in the faith, and become a little more like Jesus.

Thank you again for praying and standing with us as we server for glory of God.
