HOPE INSITUTE UGANDA
DR. REBECCA ISIKO COMMUNITY LIBRARY
REPORT JULY 2026

Greetings to everybody with God's blessings.

The following are the activities that took place in the month of July at the library.

Achievements

1. **READING COMPETITIONS:**
   We have engaged some inter-class reading competitions to continuously improve the children's reading skills, by using the book "TEACH YOUR CHILD HOW TO READ IN 100 LESSONS" at which we are engaging lesson 29, by now.
2. **AFTER SCHOOL ACTIVITIES:**
   These include reading, Math, Chess and digital literacy, these run on some Wednesdays and every Saturday to encourage creative thinking and teach computer literacy to the community.
3. **DEVOTION:**
   This is carried out everyday in the morning by all the library staff, craft centre staff and community to pray to God for knowledge, guidance and more so giving to God our prayer requests.
4. **BIBLE READING CLUB:**
   This is a club composed of the library staff and school children who are being nurtured how to read, interpret and understand the Lord's words through Bible quizzing.
   - Messages of discussion in Bible quizzing (July).
   - Why Do people read the Bible?
     - To learn how to forgive.
     - To know the ways of God.
     - To know & learn the actions of God.
     - To learn how to obey God. (2 Timothy 3:16:17)

Challenges

- There is need for some lunch package to library staff.

Requisitions

1. Need for more Bibles to boost the Bible reading library club.
2. Need for more religious novels for both children and adults from bookshops which are not available at the library.

LIBRARY USAGE

- ✓ Number Of Users in July (1307 People).
- ✓ Visitors – 05
- ✓ Number Of Children (After School Program) – 38

Finally on behalf of the library staff, I take this opportunity to thank the HIU, US team and all other stakeholders for the guidance and financial support rendered to the library.

"May God Bless You Always."

From: Head of Library
Julius Mulebi
