MT OLIVET SCHOOL C4DMU NEWSLETTER ~ AUGUST & SEPTEMBER 2026

Dear Donors, Friends, and Partners,

Grace and peace to you in the name of our Lord and Saviour Jesus Christ.

With grateful hearts, we celebrate God's faithfulness to **Mt. Olivet School C4DMU** throughout August and September 2026. We are especially thankful for your prayers, encouragement, generosity, and continued partnership. Through your support, vulnerable children in our community are receiving Christian education, nutritious meals, a safe place to learn and grow, and the opportunity to build a brighter future.

The progress we have made during these two months is a testimony to what can be accomplished when people come together in faith and service. **Every completed project, every child who sleeps safely at school, and every lesson taught, is an investment in the future of these children.** We give all glory to God and extend our sincere appreciation to everyone who continues to stand with C4DMU.

August & September Highlights

- **Completion of the Girls' Dormitory**

We are very grateful to God and to our partners for the **completion of the girls' dormitory**. This is an important step toward providing our boarding students with a healthier, safer, more secure, and more dignified environment. We sincerely thank all the C4DMU donors and partners who contributed toward this project. Your support has turned a great need into a completed facility that will benefit many children for years to come.

- **Beds and Bedding for 60 Children**

We are also thankful that **60 children now have beds and complete bedding**: mattresses, bedding, and mosquito nets. We give thanks to God and to the donors and project partners whose generosity made this possible.

- **Improved Offices and Storage Areas**

During August and September, we improved our **school offices and storage spaces**. These improvements will help our staff organize school materials and carry out their responsibilities more effectively.

- **Improved Temporary Classrooms**

Because we are experiencing the rainy season, we have continued working to improve our temporary learning spaces so that children can remain protected from rain and other difficult weather conditions while attending classes.

- **Improved School Compound and Signpost**

We have also worked on the **school compound and school signpost**, improving the general appearance and visibility of Mt. Olivet School C4DMU within the community.

These improvements may appear small, but they contribute to creating an environment where children, parents, visitors, and community members can see the growth and development of the school.

Other Projects:

- **Mt. Olivet Poultry Farm**

Our birds at the **Mt. Olivet Poultry Farm** are growing well. The poultry project is not only supporting the school's development but also providing children with an opportunity to gain practical agricultural and life skills.

We are grateful for the opportunity to teach children skills that can contribute to their future livelihoods.

- ## Maize Plantation

Our maize plantation is also doing well. We are especially grateful for the teamwork of the **Mt. Olivet School staff and learners** who have worked together in caring for the plantation.

Agriculture continues to be an important practical learning opportunity for our children and an area with potential to support the school in the future.

The third term of the 2026 school year began on **14 August 2026**, in accordance with Uganda's education calendar. We are thankful that all our school staff returned and are committed to supporting the children in their education, spiritual growth, discipline, health, and personal development.

A Special Thank You to Our Supporters

We extend our heartfelt appreciation to our **USA team, donors, friends, prayer partners, and project supporters** for standing with Mt. Olivet School C4DMU. The completion of the girls' dormitory, the provision of beds and bedding for 60 children, improvements to our offices and storage spaces, continued school meals, and other activities have been possible because of your partnership.

We want you to know that your support is making a meaningful difference. **Your generosity is helping us provide vulnerable children with education, safety, dignity, and hope through Christ.**

We are committed to using the resources entrusted to C4DMU responsibly and for the benefit of the children and the wider community we serve.

- ## Our Continuing Needs for 2026

As we continue operating the boarding section of the school, we are seeking support to meet the health standards, safety and well-being of our boys, too.

Our immediate priorities include the boys' dormitory, additional beds and bedding, and our end-of-year celebration. Every contribution, large or small, will be of great help.

Project / Need	Amount Needed
Construction of Boys' Dormitory	**US$16,000**
20 Triple-Decker Beds	**US$2,400**
Complete Bedding for 60 Children – mattresses, sheets, blankets & mosquito nets	**US$4,200**
End-of-Year Celebration for Children and Staff	**US$750**

Prayer Requests

As we continue through the third term, we kindly ask you to join us in prayer for:

- **God's protection** over all our learners, teachers, and staff.
- **Provision for the boys' dormitory**, so that our boys can also have a safe and appropriate place to sleep.
- **Provision of additional beds and bedding** for the remaining boarding students.
- **Our agricultural projects**, especially the maize plantation, for a successful season and abundant harvest.
- **Wisdom and strength for our teachers and school administration** as they guide and support the children.

- **The end-of-year celebration on 24 November 2026**, including the financial resources needed to make it a meaningful occasion for the children and staff.
- **New partners and donors** who can join us in supporting these urgent needs.

As we look toward the final months of 2026, we are reminded that the work of transforming lives is a journey. We celebrate what God has already enabled us to accomplish, while trusting Him for the resources and partners needed for the work that remains.

At Mt. Olivet School C4DMU, we are not simply building dormitories, providing beds, planting crops, or improving classrooms. **We are helping to build futures, restore hope, develop practical skills, and share the love of Christ with vulnerable children.**

Your prayers, encouragement, and generosity are an important part of this mission. We are deeply grateful that you have chosen to walk alongside us and invest in the lives of these children.

Thank you for believing in the children of Mt. Olivet School C4DMU. Thank you for praying with us. Thank you for giving.

May God richly bless you, your families, and all that you do in His service.

With gratitude and prayers,
Mt. Olivet School C4DMU

Empowering vulnerable children through Christ-centered education and hope
