Grace Children's Outreach Mission
October 2026 – Schools Outreach Program

Greetings!

The link above has photos and video clips of our recent activities of our school outreach program that is reaching thousands of children in schools around the country! The impact of school ministry has been huge. Many children are embracing Christ and developing a desire to go to church to learn more about God. Many become people of prayers and developing a habit of reading the Bible on daily basis. Children are growing to become witness of Christ within their communities and the Kingdom of God has been growing.

Our school program does not only teach the word of God but also meet the needs of the most needy through feeding the hungry and educating who otherwise would not get the education they deserve.

This is made possible through your prayers and generosity.
