JULY–AUGUST 2026

REACHING OUT TO VULNERABLE WIDOWS THROUGH A WHOLISTIC APPROACH

Dear Friends & Partners,

Warm greetings in the name of our Lord Jesus Christ. We are grateful to God for His continued faithfulness throughout the months of July and August 2026. Every visit made, prayer offered, meeting held, and act of generosity has reminded us that together we are restoring hope and dignity to elderly widows.

We sincerely thank every friend who continues to stand with us. May God bless you.

WHAT HAPPENED

HOME VISITING

The team visited the widows and spent time listening to their stories, praying with them, assessing their health and welfare, and identifying practical needs. These visits revealed several challenges including food insecurity, poor housing conditions, limited access to healthcare, and loneliness and emotional isolation.

PRAYER &FASTING

A section of Widows and Pastor during Prayer& Fasting

We had the privilege of holding a prayer and fasting session. A moment of reflection, seeking His face and hoping for His Mercy and Grace on friends and family. It was a beautiful reminder that spiritual nourishment remains just as important as physical support.

.

APPEAL

Please consider sponsoring a goat for one of these seven (7) widows on the waiting list. $200 USD provides a widow with the gift of a dairy goat. Donations can be made at: https://globalhz.org/kimwanga-widows-project/

You can also support the ministry through prayer, introducing us to potential partners, sharing our stories within yourcommunity, and sponsoring future livelihood projects.

PRAYER REQUESTS

Please join us in praying for God's continued protection, provision, good health, expansion of the ministry, wisdom, new donors, and long-term partners.

THANK YOU so much!
