Come Full Circle

November 3, 2026, Sokhai left home for Phnom Penh Bible School and to join her close friends Rosza and Bopha who are now finishing their first year. You have prayed for and with them as I shared their names and stories in my previous updates for the past 7 years.

Sokhai came to know the Lord in September 2024. She is the eldest of two siblings. Her mom is a believer, and we are praying that one day, her father will also decide and surrender his life to Jesus Christ. Both of her parents are farm workers, living and providing for the family basic needs according to harvest seasons. Sokhai is diligent and good student. She passed her recent grade 12 national exam inorder to continue to study further. Praise the Lord! She was aslo studying with me using the materials from Theological Education by Extension Association of Cambodia (TEEac) for two years. Her growing faith, love for the Lord and His Word and her heart to serve the Lord. She prayed for months of God's leading, and she discerned that God called her into His service, and felt the need to be more equipped, thus, she decided to study in the bible school. "I desire to know God more, and be able to disciple many and multiply mysel." That was her testimony when she shared to the church. The church prayed for her and supported her decision with the church encouragement and prayers. Praise the LORD!

Phnom Penh Bible School

Come Full Circle

We had a wonderful time of encouragement and sharing similar experiences, the joy and challenges of being students in the bible school and university alike. I encouraged them to focus on Jesus Christ, continue to trust Him. There will be more challenges in the future but stay rooted in Christ, have faith in Him with joy and hope. I asked them if they see themselves finishing their studies. Rosza said, “At first, I quickly answered yes, until, my family has been facing a huge trials due to my sister ailing condition, I was able to reflect and understand the weight of it. I thank God, I decided to finish my studies in the Bible school because I know, wherever I go, I will still face challenges. I will continue to focus on Jesus.” Praise the Lord! Bopha, her prayer and desire is to return to where her parents in Stung Traeng province, start a (house) church there. Praise the Lord! It’s a joy and encouragement to hear their hearts desires and prayers. My prayer is that God will preserve these desires and most importantly, they will faithfully obey the call of God in their lives, by God’s grace. Praise the LORD!

Spending time together and enjoying our farewell dinner

Come Full Circle

Please pray for and with us...

- Bopha, Rosza, and Sokhai that they will be more diligent and faithfully maximize the given opportunity for them to be equipped for the Lord's service
- Pray for the salvation of their fathers, their mothers and their lives will continue to be the light and salt
- Pray that the public school students will continue to be receptive of the Gospel, they will start or continue to seek, and that the deep need of the Savior Jesus Christ will be seriously felt.
- Courage and guidance for my two Bible class students (Kanya and Srey Neyang) grade 8, who can't decide yet because their parents won't allow them.
- For strength, good health, stamina, wisdom, guidance as I adjust to the shifting schedules I have, juggling both my post grad studies as well as teaching both English during weekdays and Bible classes during weekends.
- Consistent peace and order between Cambodia and Thailand border issues
- Wisdom, guidance and discernment as we (BSOP Team Cambodia) navigate the growing changes of documents we need to comply for us to stay legal in the country: annual visas and work permits. The Lord has been faithful and He knows every step of the way!
- My 2nd semester post grad studies: November 9, 2026-April 2, 2027 - stay focus, diligent, guidance, wisdom and opportunities to apply what I have learned for His glory!

17 years in Cambodia and counting by God's grace & faithfulness
