Keep Praying – God is Working

You are praying. God is working!

We asked you to pray for **Santisuk English Camp**. It was fun. It was a happy Santisuk "family" intergenerational gathering. There were 130 registered including Thai, Filipino, American, Dutch, Burmese, Pakistani, and Chinese campers.

We developed friendships in the ten small groups that met daily. Friday night, the director at Santisuk Silom shared her testimony. Following that session, one of Dennis' students, N, told her small group leader, "That's me!" That evening, Thai believers gathered around N as she prayed to receive Jesus. Now N is meeting weekly for discipleship lessons with Carol, our Lat Krabang (LKB) Center Director. Hallelujah for another Thai member of God's family! Please keep praying!

N is the one wearing the "Daniel cloth" when she roleplayed Daniel in the final "More Conversations" class Oct 29.

Nov 1 was Birthday Sunday at Star of Peace Church here in Lat Krabang, Bangkok (LKB). Thirty-seven joined, including five birthday celebrants. We enjoyed games, an inspiring song interpretation from seven visiting South African Christians, and two Thai testimonies. We feasted on cake and Filipino-Thai delicacies enjoying fellowship until mid-afternoon!

A new month of classes began this week. Pray that we will teach English conversation well and that the Bible stories we share will burn into the hearts and minds of our learners.

Onward,

Dennis & Melody
